1. March minutes – minutes agreed as a true record.
2. Issues brought forward
 - Xmas market, divided opinion on its success, Kash to ask council if this is to be an annual event.
 - Police station in Waterloo Place is small but handy for the city centre.
 - Lakeside Veterans' celebration – was enjoyable and very well attended.
3. Any Other Business
 - Barnes Park Fun Day Out was a great success.
 - Discussion about park/council issues. Outdoor sports facilities and parks becoming very unkempt due to council cutbacks. Dogs have attacked cygnets at the lakes. Weeds are not being treated in parks. The council will be concentrating on Mowbray Park only.
 - Lotteries Act Registration – Lucy Malarkey from Gentoo to get a blanket copy covering all Gentoo registered associations.
 - Funding from Gentoo – independent auditors are allowed, this will save money and time. The funding review by Gentoo is ongoing and no decision has been announced.
 - Brexit referendum was discussed in great detail, and could take 3 years for us to leave the EU.
4. Dates of next meetings
 - Committee meeting August 2nd
 - General meeting September 6th
